Homelets

Brighton - 74 74 85

Available Property list

Any persons looking to rent a property through HOMELETS need to be aware of the following criteria and requirements:

All properties are a minimum 6 months tenancy agreement.

We require one months rent payable in advance and six weeks deposit, plus our agency fees which equate to one and a half weeks rent per property.

This includes drawing up of tenancy agreements, referencing of applicants/guarantor, check in and inventory. There is an additional £35 for the Deposit Protection fee and £45 for check out.

We are also members of the Property Redress Scheme.

Please note we do NOT charge a renewal fee (like most agencies!)

We do not accept Housing Benefit, so please do not ask.

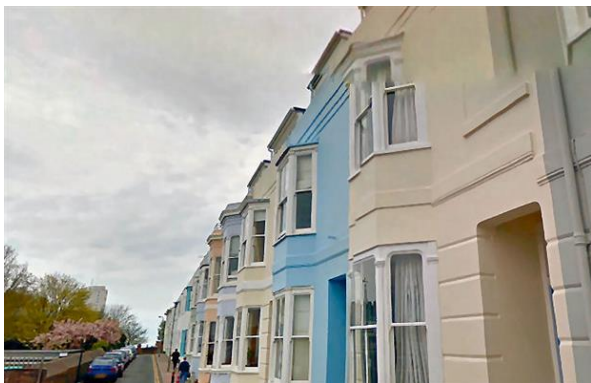

An approved UK property owner as a guarantor and verifiable references.

Photographic ID (passport or picture driving licence) and visa where required.

All applicants and their guarantors will be subject to credit checks.
